From his experience in the remote communities of Canada and the U.Colin Kaepernick told MSNBC anchor Ali Velshi that he wouldn't discuss politics on the national platform, but he did take a few moments to comment on his suspension for National Anthem protests. When asked if the suspension would have negative impact on his business, Kaepernick made the following statement: "Definitely. What I'm most concerned about is how my actions, my demonstrations have been met by such hostility," he said. He then talked about how he 3da54e8ca3
