Play the game that borrows characters and story from a myth, and develops it into a unique fantasy action RPG. • An Action RPG that is a mix of Legend of Zelda and Diablo This game is influenced by the Legend of Zelda. The game includes the equipment and dungeons of a fantasy action game, and builds up the story of the land called Between as you adventure. It is a fantasy action RPG that includes the equipment and story of a Legend of Zelda game. The story continues in the Lands Between, the borderlands between the Well World and the Beyond. The Lands Between are a chain of three continents and a vast world where open fields and huge dungeons with complex and three-dimensional designs are seamlessly connected. • In an Active and Immersive Game Environment We combine the action RPG of the Legend of Zelda series and the turn-based action RPG of the Diablo series to create a balanced, unified game. We have added several features in order to make the game more active and immersive. We aim to make the game an action RPG that includes the equipment and dungeons of the Legend of Zelda series, so you can immerse yourself in the game experience and enjoy it for a long time. Due to the nature of a fantasy game, the game does not have an actual date for its release. However, we aim for the game to be released in 2019. [MINES & EXPLORATION] AN ADDITIONAL PARADISE FOR THE PLAYER The Mines of Elden, an enormous open world map with magnificent scenery, is the largest underground area. It includes eight labyrinthine dungeons, a number of cut-scenes, and quest items. The Mines of Elden enable you to explore the underground surroundings and an additional paradise for the player. *Added*: Mines of Elden (Mines of Elden walkthrough + Item locations) (Added) Ability to start a Character Transfer at the Mines of Elden (Added) Players can re-enter the Mines of Elden from the Ruins of Elden (Added) Monster energy & food level increase when exploring the Mines of Elden (Added) Maps of the Mines of Elden (Added) Entry Map to the Mines of Elden (Added) Picture of the Mines of Elden (Added)

What's new in Elden Ring:

9/14/2015 Midday D & D Game Later this month we are hosting a mid-day D&D game at the Centre here in Heaton, Newcastle.

Sat 7 March 2016 Tarragon Raid This week we set out to make troops to explore Tarragon, the sacred ruined elder race homeworld with an install of M:TES - a tactical empire builder that simulates large battles as well as wars in a galactic world. This has sparked a lot of interest and we are now organising to try and run some up.

Sun 8 February 2016 New Found Species The core technology team have decided that having more organic (think of them as piggies) in a planetary system would be a little cool so we are currently adding new Found Species. Once in place we will be adding plants, animals, and organic machines. We will be running the found species also at Tarragon, but be warned: hit their ecology and that will cause damage to all the planetary segments.

Mon 14 January 2016 Beyond the Savage Horizon All this good news means it's time to put plans for the next game in motion. We've worked out the rules for Beyond the Savage Horizon and the Simulated Species.

Tue 9 November 2015 Tarragon As most of you will already know, we have a huge bug in Tarragon that has been stumbling us for quite a while now. To prevent this reoccurrence we are refreshing the code and making some big changes to the AI of the Rarefied, and the open world. We will also be refreshing the docs, food, water, and live plants so that we can look at how they'll re-vitalise the Simulated Species are flora in the Planet. We're really excited about what's ahead of us. See you at Tarragon. The start of a new journey!

10/14/2015 Explore Today we discover the world of Tarragon. A planet worth exploring!

Mon 13 July 2015 Join us For the Tarragon launch we are going back to live filming. Don't worry, we have crowdsourced all of the animations of the planets in Tarragon and their

System Requirements:

+ CPU: Core 2 Duo E6600 + RAM: 2GB + Storage: 5GB of available space Is it worth downloading? Yes, absolutely. While it's not my favorite game to play, it's still a great experience and is one of the first RPGs I've played on the Switch. The game has a lot of depth to it and has a few interesting mechanics that have never been done on the Switch, such as randomly generated towns, daily quests, and random dungeons. ...Are there any multiplayer modes
