The newly-elected European Parliament has adopted its crucial first package of proposed amendments to the EU's Copyright Directive, which is needed for the Parliament to enter the trialogue phase, which will determine the final content of the Copyright Directive. The Parliament has now approved proposed amendments to Articles 14 and 17 of the Directive, which will introduce an intermediary liability regime (whereby companies and/or websites hosting third-party content would be held liable for infringements committed by users of that third-party content), and an "upload filter" (which would have the power to prevent access to certain works). Other proposed amendments include changes to the limited exemptions that apply in the current directive, which will see

## **Features Key:**

A Large and Entertaining World Encounter a variety of interesting enemies!

- Challenging Multiplayer Battles, Deep Storytelling, and Exciting Character Conversations

Real Equipment That Looks Good and Works Well You can equip various weapons, armor, and magic, equip different equipment in different situations, experience combat thanks to magic and draw power from equipment. In addition, in the "Dual Weapon" battle form, you can increase the power of your weapon by exchanging weapons at the end of the turn, so enjoy this great tactical advantage!

A Deep Catalog of Customization For an extensive catalog of possible equipment, you can customize character appearance and equip your own equipment. In addition to customizing your character's appearance, you can freely combine weapons, armor, and magic items.

---

You can take advantage of the power of equipment to increase your combat capabilities. A Variety of Moods and Custom Stories By changing the music in the background of a scene, you can change the in-game mood. This can also be applied to party chat and event-related messages; then the storyline becomes even greater. In addition, there are many custom events that you can participate in to experience an even more unique sense of adventure! If you've got a strong imagination, you could get the thought of what happened on a certain day to one of your party members and make your character feel it!
